Over a hundred people took part in Chesterfield in Bloom last year.

If your garden is brimming with plants and colour, you grow your own vegetables, your garden is beautifully landscaped or full of wildlife, we would love to see it.

You don't have to be green fingered to enter the competition and you can enter one or more of ten categories (see overleaf).

Chesterfield is entering the East Midlands in Bloom competition and your garden could be in the judging tour.

Closing date for entries is Friday 3 July.

We will contact you to arrange a suitable judging date in July. Entrants are invited to an Awards Ceremony in September to be presented with their certificates and prize money.

Fill in the form today - you could be a winner.
