# Chesterfield in bloom

If your garden is brimming with plants and colour, you grow your own vegetables, or if it is beautifully landscaped or full of wildlife, we would love to see it.

Over a hundred people took part in Chesterfield in bloom last year.

You don't have to be green fingered to enter the competition.

You can only enter two categories - everyone who takes part is automatically entered for the best overall garden judging.

Chesterfield is entering the East Midlands in Bloom competition and your garden could be in the judging tour.

**Closing date for all entries is Friday 24 June.**

We will contact you to arrange a suitable judging date in July. Entrants are invited to an awards ceremony in September to be presented with their certificate and prize money.

**Fill in the form today you could be a winner.**
