

Funded training available for manufacturing businesses in Derby, Derbyshire, Nottingham & Nottinghamshire

The Skills Support for the Workforce programme (SSW) can support small & medium-sized manufacturing businesses in Derby, Derbyshire, Nottingham & Nottinghamshire to upskill their employees with funded training courses & qualifications to grow their business.

We can support:

- Current employees who need to upskill
- Employees on furlough that are returning to work and need a skills refresh
- New recruits that need training

Through our network of expert training providers, there is a wide range of courses on offer including:

- Lean manufacturing
- Business improvement
- Performing manufacturing operations
- Leadership & management
- Digital skills
- Sales
- Customer service
- And many more

We will work with you to identify your business' training needs to support your business goals.

The SSW programme is co-financed by the European Social Fund (ESF) and the Education and Skills Funding Agency (ESFA) so a wide range of training can be accessed at no cost to your business.
